DETAILED ACTION

1. Claims 1 – 56 are pending.
2. Claims 1 – 56 are allowed.

Allowable Subject Matter

3. The following is an examiner's statement of reasons for allowance: Independent claim 1, 19,24, and 30 are allowable over the prior art of record because the examiner found neither prior art cited in its entirety, nor based on the prior art found any motivation to combine any of said prior art. The following limitations were not found in the prior art of record: a bus arbiter configured to arbitrate between requests to access the bus by the first bus master and the one or more other bus masters; Wherein accesses by the one or more other bus masters to the bus are restricted in response to a signal indicative of a change in a mode of operation of the RF circuit.

Independent claims 36 and 46 are allowable over the prior art of record because the examiner found neither prior art cited in its entirety, nor based on the prior art found any motivation to combine any of said prior art. The following limitations were not found in the prior art of record: A bus arbiter configured to arbitrate between requests to access the bus by the first bus master and the one or more other bus masters; wherein accesses by the one or more other bus masters to the bus is restricted in response to a signal asserted a predetermined amount of time prior to a shutdown mode of operation of the digital processing unit

Independent claims 39 is allowable over the prior art of record because the examiner found neither prior art cited in its entirety, nor based on the prior art found any

motivation to combine any of said prior art. The following limitation was not found in the prior art of record: a less favorable arbitration policy for the one or more other bus masters in response to a signal indicating a change to an active mode of operation of the RF circuit.

Independent claims 49 is allowable over the prior art of record because the examiner found neither prior art cited in its entirety, nor based on the prior art found any motivation to combine any of said prior art. The following limitation was not found in the prior art of record: wherein accesses by the one or more other bus masters to the bus are restricted during a second period of operation beginning a predetermined amount of time prior to an active mode of the RF circuit.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
